

# EXPERT TIPS

## Know My Role

Make your team your top priority, not the work.

## Know My Business

Understand the big picture/strategy and your impact.

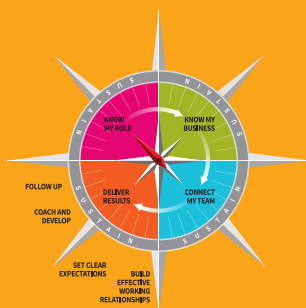

## Connect My Team

Connect daily work to why it matters.

## Find the balance!

Don't let process trump people.

## Give leaders a GPS.

## Don't just train your managers

- transform them.

## Remove the barriers to change.

Make it so easy, managers can't help but change.

## Keep it real.

Make sure new habits are practical and easy to act on.

## Teach them to use their GPS and they'll never be lost again.
