

TIPS FOR MANAGING A REMOTE TEAM

TIP ONE

PUT PEOPLE FIRST

- Hold frequent team and one-on-one connects.
- Talk about personal impact first and business impact second.
- Ask questions and listen more than talk.

TIP TWO

FOCUS ON THE BIG PICTURE

- Start with the big picture story of the marketplace and how your company and team can best respond.
- Then talk about the specific changes you are asking of the individual.
- **Don't be afraid to say, "I don't know."**

Use the Leader's GPS tool on your mobile device or laptop to help you navigate the leadership challenges you face today. Answering the questions and following the simple framework will prepare you to engage your team in a compelling and actionable way.
